

THE AMERICAN INTERNATIONAL SCHOOL OF VILNIUS

PSA GRANT PROGRAM

The PSA's mission is to support AISV through providing an active, engaging and fun social environment for students and their parents. In doing so, the PSA will sponsor additional student led activities and events that foster diversity, responsibility, leadership, community service, enjoyment and learning.

The PSA will use funds to support these student led activities and programs otherwise not provided by AISV. The number and nominal value of the grants will be determined year to year based on availability of funds.

The PSA Grant Program is open to all individuals or groups of students for projects or events that promote and support the PSA mission.

To apply, please follow the application procedures outlined below:

Step 1: Ensure that the activity or event supports the PSA's mission above.

Step 2: Verify there are no other funds available for the proposed activity/event provided by AISV.

Step 3: Please submit your application four weeks prior to your proposed activity or event.

Step 4: Complete an application and submit it to the current PSA President or completed applications may be given to the receptionist in the office. On-line applications can be found in the PSA's section of AISV's website.

Step 5: The PSA Officers will review all proposals in a timely manner and notify you if the grant will be awarded.

Step 6: After the event, please provide a short summary or report on the outcome of the activity/event to the PSA for evaluation.
